Join us for a milestone celebration at the 10th Annual Canadian Cowboy Classic Golf Tournament –an exciting day of golf, community, and giving back. This signature event proudly supports the Canadian Pro Rodeo Sport Medicine Team, a not-for-profit organization dedicated to the health and well-being of rodeo athletes across Canada.

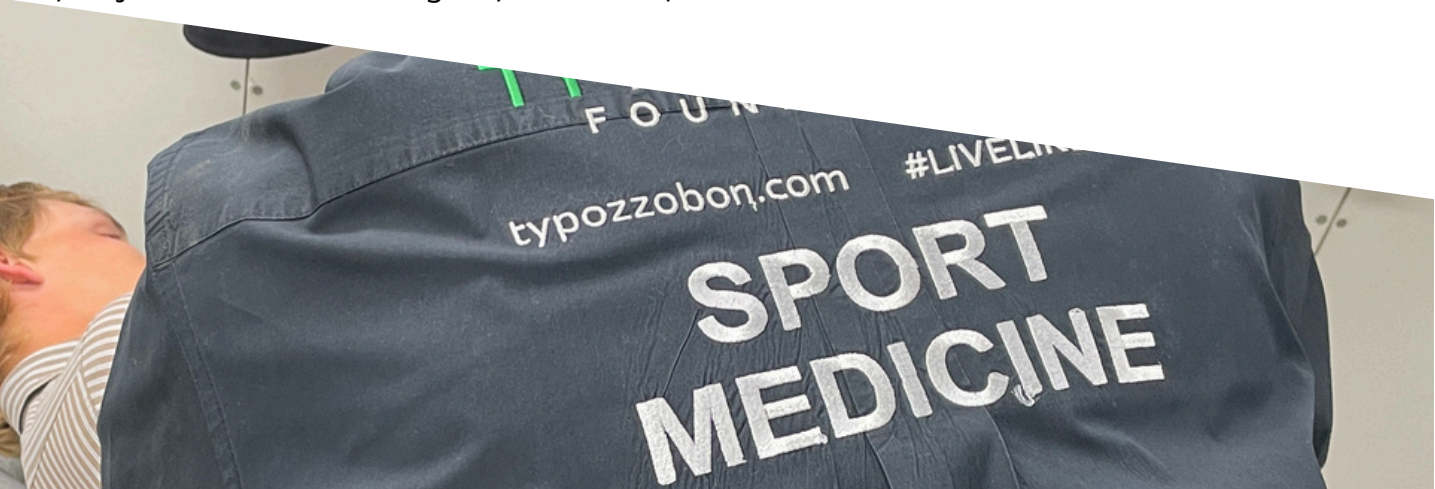

Over the past decade, the tournament has raised more than \$300,000, directly funding essential medical care for competitors throughout the rodeo season. From pre-event preparation to on-site treatment and post-performance recovery, the Canadian Pro Rodeo Sport Medicine Team plays a vital role in keeping athletes safe, competitive, and performing at their best. Their work also extends to education, helping athletes better understand injury prevention and long-term health management.
